

Silver Avenue Family Health Center, a full spectrum family medicine clinic within the San Francisco Department of Public Health network, is located in the southeast sector of the city. We serve a diverse [40% Latino, 40% Asian, 12% African American] patient population that is publically insured or uninsured. Our staff takes pride in offering culturally competent, evidence-based care to families through a multidisciplinary team, based on delivery models like Centering Pregnancy and the Chronic Care Model. We are seeking bilingual (Spanish or Cantonese speaking) family medicine physicians who are dedicated to providing high quality, accessible care to vulnerable populations, who are ready to lead effective teams, and who are comfortable using EHR systems. If you are excited to join our team, please apply online AND contact Ellen H. Chen, medical director [ellenhchen@sfdph.org].
