

MENTAL HEALTH THERAPIST II - INPATIENT UNIT/JAIL
Recruitment Number 0704KS-08528-01

Supplemental Questionnaire

Instructions:

You must answer the three questions below with your application.

TAKE NOTE: The Jail Psychiatric Services provide assessment and treatment of inmates incarcerated at the San Luis Obispo County Jail. Suicide prevention and identification/treatment of mentally ill inmates is the primary focus. Working independently and the ability to interface with various service providers as well as correctional staff is desirable. Tasks involve evaluation of inmates and the need to obtain verbal orders from the Staff Psychiatrist for medication administration. Prior experience working with a forensic population is preferred as well as 2-3 years experience as a licensed Psych Tech.

The hours are generally an 8 hour shift which would include weekends and holidays.
