

500 W. Hospital Road, French Camp, CA 95231 · (209) 468-6000

# HEALTH INFORMATION ADMINISTRATOR

## THE POSITION

The **Health Information Administrator** manages multiple Medical Record Department units with a primary focus on maintaining department and Hospital Medical Records operations in compliance with regulatory and professional standards. The position ensures appropriate processing and storing of medical record data and maintenance of the classification system. Well qualified candidates for this position will possess a comprehensive knowledge of health information procedures, policies and current technology, a strong administrative and business background and the ability to establish and maintain good relationships with administrative, professional and medical staff.

## SAN JOAQUIN GENERAL HOSPITAL

San Joaquin General is a 196-bed acute care community hospital, established in 1857 with employees who are dedicated to a philosophy of excellence in providing health services, education and professional training in an integrated system that values quality of life, family interaction, and respect for both patients and employees. It provides a full range of inpatient services including General Medical/Surgical Care, High-Risk Obstetrics, Neonatal Intensive Care and an ambulatory care network comprised of 11 satellite provider sites throughout the County.

In addition to providing direct medical services, the hospital is active in providing education for health professionals through post-graduate residency programs in General Surgery, Internal Medicine and Family Practice and has trained over 3,000 physicians since the residency programs were established in 1932. The hospital also participates in clinical affiliation agreements for training programs in a variety of health professions including Pharmacy, Radiology Technologies, and Respiratory Care.
