JOB CODE: 0316-RH6000-AC

GENERAL HOSPITAL

THE DEPARTMENT

San Joaquin General Hospital is a community hospital with 1,700 employees who are dedicated to a philosophy of excellence in providing health services, education and professional training in an integrated system that values quality of life, family interaction, and respect for both clients and employees.

The Rehabilitation Services Department is comprised of four specialties; Audiology, Occupational, Physical and Speech Therapy. It is dedicated to providing the highest quality of service, training and education to those we serve in our community.

Every effort is made to address the client's individual needs utilizing the most progressive and reliable methods available.

Services are provided in a caring and culturally sensitive manner with the highest regard for patient confidentiality.

Existing programs are strengthened, altered or expanded and new programs are created with emphasis on customer satisfaction and performance improvement.

The department strives to maintain the involvement of patients and their families in the care provided.
